Dear President Joe Biden and Vice President Kamala Harris:

It is with much respect and admiration that I send this note of congratulations on behalf of the National Association of Real Estate Brokers, Inc. (NAREB) on the occasion of your landmark inauguration as the 46th President of the United States and that of Kamala Harris as your Vice President. History long awaited and celebrated.

We sincerely believe that your diverse administration signals to the country and the world that wretched divisiveness has been rejected in favor of inclusiveness and an agenda that works for all of the nation's people.

NAREB, formed in 1947, represents the hopes and dreams of Black American real estate professionals working to ensure *Democracy in Housing*. We are eagerly looking forward to sharing our policy perspectives and recommendations that lay the groundwork for increased affordable homeownership for Black Americans.

In closing, please know that NAREB is proud and honored to walk with you and Vice President Harris to put the people first and lift up an agenda that represents opportunity, equality, and diversity.

In the Realtist spirit,
